CLOSING MUSIC

Everyone is invited to join us for refreshments following the service in Fellowship Hall.

**WORSHIP ETIQUETTE** Our service is intended to focus on God through singing, praying and the preaching of His Word. We ask that you respect this time and the people around you by refraining from talking with others at any time during the service - even during the "quiet" times. We want there to be fellowship and we provide for that after the service is over.
